DATE

Insurance by Contractor:

G's Trees is insured for liability resulting from injury to person(s) or property. Certificates of coverage are available upon request.

Scheduling/Cancellation Fee:

G's Trees kindly requests that the authorizing party provide at least 24 hours advance notice of any full or partial work cancellation for jobs that have been scheduled in advance. If a crew has been dispatched to the job site for scheduled work, and customer cancels the job, the customer will be assessed a mobilization fee of \$150 for incurred expenses.

Completion of Contract:

G's Trees agrees to do its best to meet any agreed upon performance dates, but shall not be liable in damages or otherwise for delays because of inclement weather, labor, or any other cause beyond its control.

Ownership:

The authorizing party warrants that all trees listed are located on the customer's property, or that the authorizing party has received full permission from the owner to allow G's Trees to perform the specified work. Should any tree be mistakenly identified as to ownership, the customer agrees to indemnify G's Trees for any damages or costs incurred from the result thereof.

G'S TREES

Safety:

The authorizing party agrees to not enter the work area during arboricultural operations unless authorized by the crew leader on-site.

Stump Removal:

Stumps can be removed by utilizing a commercial stump grinder to remove stump to depth of 2-5" below ground unless otherwise stated in the proposal. Stump removal is only included if requested. If requested the hole can be completely cleaned out and back filled with topsoil for an additional fee.

Tree Decline or Failure:

G's Trees will make customer aware of any problems found with trees while on property. It is impossible to know or identify all problems and predict all failures. We will give our best opinion of structural stability and tree health based on visual inspection. Customer acknowledges G's Trees is not responsible for any decline in tree health or damage resulting after all tree work is completed.

Animals or Insects:

Many trees are a home to various animals or insects such as bees. In the event where previously unknown animals or insects cause a safety concern we will require the homeowner to pay for additional time required to deal with the problem.

Concealed Contingencies:

Any additional work or equipment required to complete the work, caused by previously unknown foreign material in the trunk, the branches, underground, or any other condition not apparent in estimating the work specified, shall be paid for by the customer on a time and material basis. G's Trees is not responsible for damages to underground sprinklers, drain lines, invisible fences or underground cables unless the system(s) are adequately and accurately

mapped by the authorizing party and a copy is presented before or at the time the work is performed.

Driveways/Sidewalks:

G's Trees will attempt to minimize any damage to driveways and sidewalks. If there is a problem that is unknown such as a void area under concrete, or thin spots which cause a failure under the load of our equipment we are not responsible for this damage. If any damage is caused from falling debris as a result of our work, we will take responsibility and correct the damage to the customer's satisfaction.

Lawn & Surface Repair:

G's Trees will attempt to minimize all disturbances to the customer's lawn and surfaces. It is normal to have some dents in the yard during tree work as a result of falling wood. This is especially true during removals or wet conditions. It is also normal to have temporary damage to turf grasses from cleanup activities. If the customer finds this unacceptable we can take measures to insure this damage will not occur. This will add labor costs to the job and must be specified in the estimate or it will be billed in addition.

Terms of Payment:

Unless otherwise noted in this proposal, the customer agrees to pay the account in full within 10 days upon completion of the work. Failure to remit full payment within 10 days will result in a finance charge of 7% per month up to 70% per year.

Acceptance of Proposal

The Below prices, specifications and conditions are satisfactory and hereby accepted. **G's Trees** is authorized to do the work as specified.
